

A World to Win: learning from the past; making the future

Friday to Sunday 29th/30th/31st May 2015.

Join us for this exciting Full Board Weekend at Northern College, Barnsley.

It's open to all activists with a sense of curiosity and we'll run a course that provides you with bags of information on key events in working class history and asks you to connect this with the present day. And the knowledge you bring will be valued.

For £50.00 you'll get the full weekend, all meals and accommodation, presentations, full IT, a booklet and hopefully a weekend to remember.

Tutors include: Ruth Richardson (Global Education), Peter Kilbane (Northern College), Dave Berry (GMB union) and Keith Venables (IWCE)

Ask your union branch or campaign group to sponsor you.

To Book: Email Keith Venables iwceducation@yahoo.co.uk
